**UPPER DALES FAMILY HISTORY
GROUP**

The next talk is at 2pm on Wednesday, October 23, in Fremington Sunday School. The speaker is Dawn Webster, curator of Kiplin Hall, who will be talking about one of the great characters associated with the house; the last owner Bridget Talbot. Miss Talbot was active in both world wars. During the first she travelled across Europe with the Red Cross. In the second she oversaw Kiplin Hall's use by the RAF and as a refuge for servicemen rescued from Dunkirk. In between the wars she invented a waterproof torch which subsequently saved thousands of lives. Non-members are very welcome at £2. For full details of the group and all the meetings see the website <http://www.upperdalesfhg.org.uk> or contact Tracy Little 01748-884759.

MELBECKS PARISH COUNCIL MEETING
HELD ON AUGUST 15th 2013

Register of Members Interests Cllrs were given new Register of Members Interest forms to be completed as requested by Richmondshire District Council. The suggested Code of Conduct was agreed upon, and the Standing Order to be adopted was to be Option A., proposed by Cllr R Alderson and seconded by Cllr Calvert. The Clerk will return copies to RDC as necessary.

Bench in Gunnerside A letter was read out from the owner of the bench which has fallen into disrepair, advising that they did not currently have funds to either repair or replace the bench. Cllr Calvert has offered to remove and dispose of it.

Landslip Cllr R. Alderson raised the point that some work had now been done to repair the landslip at Gunnerside.

Line painting in Gunnerside The Council was advised of a reply from Highways stating that the lines would be laid within the next few weeks. The Clerk was asked to follow this up if not done before the next meeting.

Financial Risk Assessment Council agreed and signed a Financial Risk Assessment

Proposed reductions to bus service subsidy. The Council discussed the proposal to reduce subsidy to the bus service which could reduce services to twice daily (removing the early and late bus up the dale). The Clerk was requested to reply to the questionnaire, suggesting the possibility of school buses being available to be used by members of the general public, and if a round trip was made to Richmond , it did not allow much time before the bus would leave on the return trip, and if the time between buses could be lengthened at all.

Planning Applications .The Council noted that Planning application has been withdrawn from Nell Tom, Blades. The Council noted receipt of a Planning application for Troutbeck House, Gunnerside to change

one room to a cafe. Council raised no comments or objections.

Decc Green Energy. The Council noted receipt from DECC (Dept of Energy and Climate Change) that community energy projects will be able to receive Feed-in- Tariff payments for clean green energy generated.

Condition of the Reeth - Richmond road. Council noted receipt of an email from Cllr Blackie advising that there would be major repairs to the road , including reconstruction of the carriageway starting in September/October.

Overgrown tree. Cllr Calvert raised the issue of an overgrowing tree at junction of the B6270 and the A6108, which is obstructing vision when turning towards Reeth from Richmond. The Clerk was requested to write to Highways to bring this matter to their attention.

Next meeting. The next meeting will be held on Thursday October 3rd at Gunnerside Village Hall at 7.30pm.

ROYAL VOLUNTARY SERVICE

WRVS has changed its name to become the Royal Voluntary Service. The new name has been created to help make sure that more people know about the organisation and realise that we are here for men as well as women. We need to make sure that men know that they can volunteer too.

In Reeth we operate a Good Neighbour Scheme where we visit older people who live on their own. At present we visit twiceth to spare on a Tuesday or a Thursday lunch time to join our rota? If so we'd be delighted to hear from you and remember that both men and women are welcome to join us! If you would like to find out more about this volunteering opportunity please phone Pauline on 886790. Similarly, if you or someone you know would like a visit from us please let us know.

Have you got an hour a month to spare on a Tuesday or a Thursday lunch time to join our rota? If so we'd be delighted to hear from you and remember that both men and women are welcome to join us! If you would like to find out more about this volunteering opportunity please phone Pauline on 886790. Similarly, if you or someone you know would like a visit from us please let us know.

MAKE DO AND MEND
19TH OCTOBER

There will be a Make Do and Mend session at Fremington Village Hall on Saturday 19th Oct from 10 until 4pm. Light refreshments will be served. Please do come and drop off your mending or ironing - or perhaps stay to enjoy a cuppa whilst waiting for your jobs to be done! The work will be done on a donation basis and proceeds will go towards the 'Illuminate' lighting scheme at St Andrew's. Please contact Susan Allison, Tel: 884366 or susan.allison@talk21.com for further information.

FLOSSIE THE 'QUADGUARD'
By Andrew Barningham

NEWS FROM THE BELLERBY STUDY GROUP

Our new season starts with a talk from Barbara Dixon on **The Fun Of Your Family History**, taking a humorous look at the various pleasures of the process and the extreme measures she has taken to get at the facts. Barbara has 40 years experience of family history and her talk is on Wednesday 2 October at 7.30pm. Diana Jolland and Mauram Burner are well known locally for their series of published walks. In **Walks in Wensleydale - and More!** they will explain how these publications started with 'Pub Walks in Wensleydale and Beyond' in 2006, and how they went on to produce over 40 walks and to found Wensleydale Writers, they will speak on Wednesday 9 October at 7.30 pm. **Reeth Community First Responders** is the subject on Wednesday 16 October. Fiona Wilkinson will describe how a group of volunteers, trained by Yorkshire Air Ambulance, can provide help in the local

community in certain medical emergencies. And there will be a chance to get 'hands-on' experience. Fiona is a former science teacher and the co-ordinator of Reeth CFR. Mark Whyman will be welcomed back with **Of No Practical Value: the story of Charles Rennie Mackintosh**. Mackintosh's work was little known in his lifetime, but his influence on architecture and design has spread throughout the world. Mark Wyman, a well known and respected local speaker, has developed a long-term interest in local history and architecture, and will speak on Wednesday 23 October. Bellerby Study Group meetings start at 7.30 pm and are held in the Memorial Hall, Church Street, Bellerby. Fees are £10 per term for members, visitors and guests are always welcome at £2 each per meeting. Contact Bridget Swann for further information on 01969 624418

THE LIBRARY AT HUDSON HOUSE

Now that the Library has been open for a full year, we had a count up to see how many books have been borrowed; the grand total came to just under 2,000. Our stock is only around 1,000 books, so we are pleased that the library is being so well-used. We have had four exchanges of books, where a quarter of the stock is replaced each time. In theory, this should mean that we don't have any of the books now that we had a year ago.

Next exchange

Our next exchange is on 16th October when we will have a fresh supply for you to choose from. If you have any suggestions about books or authors you would like to see, please let us know before 9th October, when some of our volunteers will be going to NYCC library headquarters at Northallerton to help select the new books.

New service

It will soon be possible to access on-line from Hudson House Library the NYCC Library's database of 19th century newspapers. For local history researchers this will be an invaluable tool and for idle browsers it will provide a fascinating glimpse into the past.

END OF THE ROAD FOR THE SWALEDALE BUS?

This summer Swaledale has once again seen buses 7 days per week with the Sunday DalesBus services complementing the Monday to Saturday Dales & District Service 30 Minibus. However North Yorkshire County Council are proposing to reduce Service 30 to just two round trips per day from Richmond at 9.35am & 2pm and from Keld at 10.50am and 3.10pm. This would give residents just 2 hours in Richmond and no chance to get to Darlington or further afield; it would make it impossible for anyone to travel to and from work by bus. It would also reduce opportunities for visitors to access Swaledale from Richmond including C2C and Swale Way walkers who often base themselves in Reeth or Richmond whilst doing 2 days walking in Swaledale using the bus to access the start or finish of each day's walk; some C2C walkers have a "rest day" in Richmond and come back up on the bus to revisit parts of Swaledale or explore Arkengarthdale. The current services are very reliable and much appreciated by those who use them; the 4.30pm from Richmond to Reeth is often very busy with a mixture of local residents returning from shopping trips, visiting friends and family and making visits to dentists; opticians; solicitors; banks etc. These won't be possible if these proposed cuts are made The Dales & Bowland Community Interest Company manages the Sunday DalesBus services and this year produced an excellent leaflet marketing the daily Swaledale bus; we are all volunteers and have invested considerable efforts to promote these vital bus

services for residents and visitors. Indeed the Sunday services have been financially supported by Friends of DalesBus; Yorkshire Dales Society & CPRE to encourage more visitors to the Two Dales whilst DalesBus Ramblers & Friends of the Settle-Carlisle Line have organised free guided walks off the buses. We would urge you to complete the survey on NYCC's website; e-mail Passenger.transport@northyorks.gov.uk <mailto:Passenger.transport@northyorks.gov.uk>; write to them at Northallerton County Offices or contact your local county councillor by November 25th. No changes will be made to services before April so you can also show your support by using the bus as much as possible. John Disney Media Officer: Dales & Bowland CIC

.SkillShare @ Hudson House

SkillShare is back for the Autumn, with more opportunities to develop craft, computing or techie skills in a relaxed and friendly setting. Starting on Friday 11th October, from 2.00 till 4.00 pm, the weekly drop-in computer clinics, giving assistance in using popular software programs, will continue until early December. Fees are £3 per session. On Tuesday 15th October from 4.00 till 6.00 pm Margaret Murphy will lead a practical felt-making session. For this class the fee is again £3, but there will also be a charge of £4 for the materials which will be provided. On Monday 4th November, Kate Trusson will lead a session on the intriguing subject of Hand piecing for American Patchwork, again £3 for the session. More details in November's Gazette, but please reserve the date. To book a place on these sessions, please sign-in using the SkillShare folder in Hudson House, or email to skillshare40@yahoo.com.

That's not all - a fuller programme will be advertised in November's Gazette, and on local posters. We're working on arrangements with tutors, and may be able to include such craft subjects as quilting, cake decoration, embroidery, and Christmas flower decorations. For the technically minded we are trying to arrange tuition in Windows 8, the not-quite-so-straightforward new system from Microsoft. We're hoping to repeat the practical map-reading and navigation sessions for outdoor fans, and for budding musicians a ukulele taster and a singing event. However, if there are other skills you'd like to try, or could give tuition in to

others, please let us know through the folder in Hudson House or by email to skillshare40@yahoo.com.

GRINTON PARISH COUNCIL
SEPTEMBER

GP Services

The clerk had received a reply from Mr Hague agreeing with the concerns of the council regarding pressures on rural health services. A response from Geoff Day assured councillors that he was aware of the issues surrounding withdrawal of the minimum practice income guarantee and would be taking them into consideration. On a separate matter Richmondshire District Council informed members that the Scrutiny Committee was looking at local residents' experiences of using the GP out of hours service with a view to deciding the best site for it in the future. The parish council would write to them stressing the need to maintain this vital service.

Footbridges

The white bridge over Grinton beck had been painted but the footbridge at Crackpot waterfall had been badly damaged by a tree and would be reported to the National Park ranger.

Highways

Coun Gardner reported that Highways were still investigating the best way to deal with the subsidence problems on the Reeth to Richmond road but hoped to begin work on the repairs in early October. He had also raised the question of the trees growing out of Grinton bridge with them. Coun Sunter had been approached by the Road Haulage Association who asked that HGV restrictions on the moor road to Leyburn should be lifted until the main road had been repaired as the traffic lights were posing problems for large vehicles.

This route would be used as the diversion for all traffic during the actual repairs so Highways would be asked if the HGVs could begin to use it as soon as possible to alleviate some of the difficulties. Potholes on Whitaside and Swale Hall lane would also be reported.

Public Transport

North Yorkshire County Council informed members of a public consultation on proposed reductions to bus service subsidies which would affect services in Swaledale.

Best Kept Village

Grinton had been judged fourth in their category in the recent Best Kept Village competition.

Tour de France

Coun Gardner reported that grant funding was available for parishes on the route of the race to use for projects in the spirit of the Tour de France. A public meeting to discuss the race would be held at the start of the next Reeth parish council meeting at 7pm on September 20.

Repairs

A grant had been obtained for repairs through the Community Opportunities Fund and work would be carried out in the near future to the shelter, seats and outside of the village hall.

Next Meeting

Monday, November 4, at 7.15pm in the parish hall

Has email reached the end of the road?

One of the commonest questions I am asked is 'how do I get rid of all the rubbish emails?'. If I had an answer that worked I would probably be rich overnight but there are a number of things that people should be aware of. First there is no such thing as a 100% effective junk mail filter - inevitably some rubbish will get through and, what is worse, some real email that you want will accidentally get identified as junk and so your junk mail needs to be checked for real email regularly. I try to check my junk mail most days but it isn't uncommon for me to get hundreds of emails a day and inevitably something gets missed and lost. The best junk mail filter I have found is the one used by Google in their gmail service. It isn't perfect but it does a pretty good job. One of the poorest performers is the one provided by Yahoo (and so that includes any service using Yahoo to provide email, such as BT Internet). The trouble with Yahoo's filter is that it doesn't identify a lot of junk at all and it wrongly classifies a lot of personal email as junk. To make matters worse if you use a program like Mac Mail, Windows Live Mail or Outlook, or a mobile device such as a phone or a tablet, then you will never see what is in the junk folder which means that you will lose a lot of legitimate email while still being plagued

by junk mail. Yahoo (and so BT too) is set up automatically so that the only place you can see the Junk mail folder is on their website - and not if you use any other method to collect your mail. Most people aren't aware of this and just assume that someone has not replied to an email. I'm afraid this happens a lot to me when people send me emails and they think I don't reply and I get irritated follow up emails - at which point I have to phone them and explain I did answer the email - they just haven't seen it!! If you use Yahoo/BT, and not via their website, there is a simple way to get over this - log in to your email account online (for BT go to www.btinternet.com) Click the little cog at the top right corner and look under "POP and Forwarding Settings" - make sure it is set to always deliver junk mail. (if you want you can get it to mark suspect junk with a prefix (no matter what it says on that page they add [Bulk] before the email subject). That way all email will be delivered to your phone, tablet or email program and you won't miss any more genuine email. Finally this month a word about email scamming ... imagine the following scenario: I make some headed letter paper for a fake business "Cons R Us" based in Birmingham, write a letter trying to con you out of money and then post the letter to you. You receive the letter and assume because it is on headed paper that it is from "Cons R Us" in Birmingham. The only clue that it is

KELD FESTIVAL WEEKEND

fake is that the post mark in North Yorkshire - most people would miss that clue! Email can be very similar - it is very easy to send an email so that it appears to come from someone else. The only clues that it isn't genuine are probably the content of the email which looks suspicious and the email headers (the code used by the internet to track where an email came from and the route it took) - unfortunately most people never see the headers and don't understand them. A common scam that uses this is fake letters from abroad "I am stuck with no money in Outer Mongolia - please help" which are mostly pretty obviously fake, but there are an increasing number of less obvious scams around and it surprising the number of people that fall for them. Be aware that all may not be as it seems and assess each email carefully - hence the title - is email coming to the end of the road? Any ideas for articles or comments why not drop me line via

To celebrate two remarkable anniversaries in our village life, join us for this festival weekend. In celebration of the arrival of mains electricity in 1953:

Friday 8th November: Lantern Parade 16.30 Refreshments available in Keld Public Hall. Children's puppet show followed by Lantern Parade through the village.

Saturday 9th November: Centenary Ceilidh 19.30 onwards

To mark the village dispute of 1913 which tore the village apart. Dancing had been allowed in Keld Literary Institute, this led to a moral furore and the dismissal of the Trustees for allowing such contact between the sexes. The story still reverberates a century on. What better way to mark the centenary than to hold a dance. Come along and be part of history in the making. Prices £15; concessions (retired and children under 16) £12.50. Includes supper and music with local Swaledale Ceilidh band, Cobbler's Jig. Drinks available to purchase or bring your own. **FRIENDS OF REETH AND
GUNNERSIDE SCHOOLS**

We are pleased to announce that the school has organised a textile collection with Bag2School in order to raise funds for Reeth and Gunnerside Schools **Bag2School are the UK's leading textile recycler and fundraiser working with schools and since its inception in 2001 they have now paid out over £16 million.** As well as raising vitally needed funds for our school, it also helps the environment by helping to divert unwanted textiles away from landfill. A recent DEFRA report has shown that textile collection schemes are helping to reduce the volume of textiles discarded as municipal solid waste. However it is a fact that as a nation we still send 1,081,000 tonnes of textiles to landfill every year. By getting involved in our **Bag2School** collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided - this can include adults' and children's clothes, shoes (tied together please), hats, belts, bags, soft toys, curtains and bedding (not duvets or pillows). We will receive **£500 per tonne or £0.50/kg** which will be a great boost for our fundraising. In addition it will also raise awareness amongst the children of the benefits of recycling and reuse. If you fill the donation bag and still have more then you can use any other bag to donate your items and don't forget to ask grandparents, friends and neighbours to have a sort out as well! **Bag2School** will be collecting from our school on **Wednesday 4th December 2013 before 9.00am.** Please bring your

bag (or bags!) to Reeth or Gunnerside School before 9.00am on Wednesday 4th December, you will be able to leave the bags any time from the beginning of the week commencing 2nd December, and help us have a really good collection. Many thanks indeed for helping us with this unique fundraising opportunity.

MUKER SHOW 2013

Well, I just don't believe it! For the second year in a row Muker Show was blessed with fantastic weather and we had the most wonderful day. Spirits were high, competition was fierce, laughter was everywhere (occasionally bordering on hysteria in my tent) and everyone was in fine form. As always our stewards and volunteers worked hard to make things run smoothly. We had the highest attendance since I became secretary 9 years ago. Thank you one and all for turning out, being there, doing your thing and creating a memorable day.

Anyone who came will have their favourite moments, but I'm going to highlight a few of mine which to me reflect the spirit and uniqueness of Muker Show.

- A resident of Muker entered into the Men/Boys only Chocolate Cake class and presented the judges with a plate of crumbs and a note "sorry only crumbs, it was so good I ate it myself". Giggling judges - now there's a thing
- At the official lunch Robert Clarkson gave a humorous account of the dangers of not turning up to a show meeting and finding yourself elected to a new position - he's our new President.
- The tremendous sound of so many people clapping and cheering the Fell Race runners, particularly the under 12s. Congratulations to local fell race cup winners James Metcalfe, James Calvert and Scott Tranter

- The sheep dipped in Tour De France jersey colours, Name that Shabby Sheep and decorated bike competitions which raised £200 to help fund next year's Muker Parish Festival to celebrate the Tour De France.
- Swaledale Fell Rescue's record collection of over £1,300 to support their amazing work
- The Maypole Dancing and displays from Gunnerside & Reeth school children. Well done.

This year, Mike Beckwith our Show Announcer who has done the most sterling work for many years, has decided to take a well-earned rest and retire from the position. We are very grateful to Mike for everything he has done. If anyone is interested in this position - please get in touch with me. Muker Show is a traditional, family show and from the feedback I receive from locals and visitors it is clear that this is appreciated and valued. In a world where change is constant and sometimes necessary, just occasionally it's worth stopping and reflecting on what we already have right in front of us.

And in the words of my favourite Strictly Come Dancing judge - **A-MA-ZING**.

SUMMER HOT.....SOME ARE NOT

August provided ideal cricketing conditions as the sun shone and England pounded the Aussies in the Ashes. In contrast, the Dales Cricket Club had a very quiet and disappointing month having managed to play only two games, they were skating on thin ice when losing to Haughton but on fire when beating Raby Castle. Game keeping and beating duties which comes with the start of the shooting season always decimates the team during the month of August. Of the two games played it was honours as one was won and the other lost. The home game against Haughton was a sanguine affair and resulted in the Dales scoring a below par 102 all out with no one excelling at the willow. Haughton easily surpassed this total with the loss of 4 wickets. So, moving swiftly on, the match against Raby Castle brought more success when Dales batting first totalled 31 with 61 from Nigel Winter and 46 from Jon Simpson being the backbone of the innings. Raby started the chase well but the bowling of Sam Winter who took 4 wickets for 32 runs during his 6 over spell proved the downfall for Raby and they were skittled out 17 runs short of the Dales total. So, a mixed month and as the first game in September was cancelled due to weather there remains only one game to play before the whites are put away for another year. So come on Dales, like the phoenix rising out of the ashes for a cool victory, finish the season in a blaze of triumph in the last home game in September against Trimdon. Once again our grateful appreciation for our sponsors this month who were Simon and Mandy Barningham. All information about your cricket Club can be found at the website www.DalesCricketClub.co.uk

NEWS FROM REETH POST OFFICE

"It's a bit like being at an airport," was the comment from one of our customers when we asked if he parcel contained any restricted items-and in away it is. Some time ago, new regulations came into force concerning sending dangerous goods abroad, which have now been extended to include inland mail. Many everyday items, such as aerosols, nail varnish and perfumes are considered dangerous goods under the transport legislation and failure to comply with these regulations can lead to prosecution. You are responsible for checking whether or not an item is prohibited or restricted and at the Post Office, we are required to ask about the contents of parcels before we can accept them. The regulations are complex as some items can be sent inland but not abroad (aerosols for toiletry or medicinal purposes) while others can be sent anywhere but there are guidelines on packaging. The easiest thing to do is pop into the Post Office and pick up a leaflet or ask us for advice. You may think it a bit early to start thinking about posting things for Christmas, but a little forethought could save you some money, especially if you give careful consideration to the size and shape of the parcel you are posting. For example, a second class small parcel up to 1kg will cost you £2.50 but if the parcel is too thick to fit the small parcel slot on the size guide, it automatically becomes a medium parcel and will cost £5.20. Similarly, if you are sending parcels abroad, it is more economical to keep them under 2kg as over that weight the cost rises steeply. Again, pop into the Post Office for a price guide or ask us for advice. Finally, we have a new photocopier in the Post Office, which as well as doing back to back copies, enlarging or shrinking to name but a few of its capabilities, also prints to a better quality and can do colour copies.

CRIME IN THE TWO DALES

Last month we received several reports of possible poachers. In Marrick 3 males with dogs were seen lamping, in Gunnerside suspicious persons were seen and several ferrets were stolen. At Bowes moor we also had reports of poachers. If full vehicle registrations are provided, such suspicious persons can be checked to see if in fact they have been granted permission. With the nights slowly drawing in visibility is becoming more difficult, please ensure some form of high visibility clothing is worn when walking and that you are facing oncoming traffic so that you can see vehicles heading towards you and move to a safer place if necessary. 1 in 4 burglaries occur at insecure premises. The advice is to lock all doors and windows even if you're only in the garden or upstairs and secure garages and sheds. Fitting deadlocks to outside doors and restricting access to your back garden by a solid fence and lockable gate will also help. If you require further information or advice please contact myself at Hudson House Reeth or leave a message and I will get back to you as soon as possible. If the matter is more urgent either dial 101 or pick up the yellow free phone situated on the front right hand-side of Hudson House and ask for a local officer or visit the Police station at Leyburn.

Under 10's

The season started 8th September when we played Catterick Village away and none of our squad had played League football before and we only had 6 players. Dales started poorly while doing their best but undaunted came back much stronger in the second half. It was still a big loss but there was only one way to go! Cameron Baker-Haste was man of the match for a magnificent effort in goal. The next week we played Catterick Garrison Sharks away and although I wasn't there Dales played much better to lose 4-2 with goals from Fin Andrews and Daniel Webster. We had 8 players (for 7x7) this week giving the coaches some flexibility. Cameron was again man of the match

Under 14's

Their first match was September 15th v Leyburn at West Witton on a very exposed pitch in a strong gale. We welcomed 3 newcomers for their first game - Frankie Clipsham, Kory Spink and Tom Yuill. Playing uphill against the wind in the first half, Dales were distinctly rusty (we had a bye the previous week). Matthew Short had lost none of his ability in goal and Kyle Galloway was notable in defence and Thomas Walker played well but the whole squad need to tighten up their game although there were some good individual performances but our passing was sloppy. Scott Alderson opened the scoring followed by another and Tommy Marsh's

return to the squad was rewarded with a goal. Nathan Tulip got the undoubted goal of the day to make it 0-4 at half time. We brought on our 3 substitutes in the second half and it was pleasing to see 2 of our newcomers, Kory and Tom score while we conceded 2. A 2-6 win was a welcome result but did not do credit to Leyburn and we need to do better.

Football Development.

We are still in urgent need of coaching support. If you can coach or have children who want to play **please get in touch.** We really need you. By the time this goes to press we hope to be providing football for Under 8's. This is aimed at school years 2 and 3 but year 1 children can come and have a go. Enthusiasm is the most important qualification. Our subscription is only £20 for the season with no further charge for training sessions and matches unlike some other clubs.

The start of a new school year is always an exciting time for lots of people for different reasons. For Mums and Dads of Nursery children it

marks the start of a whole new stage in their child's development and for some the first time they have been away from Mum for a whole morning on a regular basis. For Reception children it is the start of a journey through the school system which for some may be a 12 year journey and for others an even longer one. What huge changes will take place in the child and their outlook and aspirations in that time! Some who have been with us for 6 or 7 years have left us to progress to the senior stages of their education. While we miss them and their personalities and contribution to school life we do so with pride in their independence and achievements. For them as they waited for their new school bus on the first day there would have been excitement and some nerves but by now they will be confident 'old hands'.

For teachers too there is excitement as we look forward to the interesting challenges of the term ahead - new classes, new routines and new activities. There are trips and visits being planned, concerts and productions being written and rehearsed, sports events being practiced for and parent partnership activities being organised. The schools are always a hive of activity, but we are always looking for more opportunities to enhance the learning of our children. If you have a skill you would like to share with the children or

know of someone who has time to give to help our children with reading, craft, cookery, art or any other skill DO PLEASE phone the school and let us know. You are always welcome. Please watch local news boards too for details of events in school to which you are warmly invited.

Best wishes Linda and staff.

Dear Sir,

I live at Whaw and I was on my way to work this morning - I go over The Stang to the A66 - and just before Shaw Farm on the left, I spotted a pile of large empty boxes, bubble wrap, old blankets and bits of wood just dumped on the side of the road (see attached photo). I was absolutely horrified as you can imagine. I know there is probably nothing that can be done to stop these dreadfully ignorant people but I still think it should be flagged up to the inhabitants of the Dale.

Sarah Proddow

Anyone else got any thoughts ? Ed.
